

## 860 Greenwood St Campbell River BC

\$539,900

Fantastic opportunity for a older family home near town with a walk out basement. This home has an extra large lot with a wired garage, outbuildings plus fruit trees. Loads of updating over the years include a roof, 200 amp electrical service, perimeter drain, water line, windows, furnace plus a brand new hot water tank. The basement is unfinished so a perfect blank slate for finishing how you like. This lot is sub-dividable, creating lots on either side of this house meet the criteria for subdividing off.
