This wonderfully located Acupuncture and personal services business has been serving Victoria from its high-traffic location for over a decade. This multi-practitioner space offers a wide variety of services from Acupuncture, massage, herbal medicine reflexology and more. The business is set up to allow the owner to sublease treatment rooms in the space which allow the owner to cover the expenses of their core Acupuncture business and operate rent-free. This business model allows the owner to work reduced hours and obtain the ever elusive work life balance that all business owners strive for. The owner works 3 days per week (14 hrs) from the location. They have created a welcoming environment that has become a peaceful oasis in the community for both customers and practitioners alike. Transition training is available. NDA Required for more information.
