

725 Jordan River Main Rd DL Sooke BC

\$2,100,000

114 ACRES Jordan River Off-Grid Land Investment Opportunity. Step away from the noise and into a life deliberately chosen. This is a rare opportunity to acquire riverfront with views overlooking the Strait of Juan de Fuca. Rugged, remote, and deeply grounding, this coastal landscape offers solitude, space, and the freedom to live on your own terms. The region's mild climate and abundant natural resources support a self-sufficient, off-grid lifestyle, shared quietly with a small community of like-minded nature lovers who value independence and simplicity. The land provides ample room for solar power, water systems, gardens, and low-impact structures--ideal for a private homestead, eco-retreat, or long-term land investment. While off-grid living demands thoughtful water and infrastructure planning, the reward is privacy, scale, and sweeping coastal views that are increasingly rare on Vancouver Island. This is more than land--it is an invitation to live intentionally, sustainably, and free.
