\$399,000

Welcome to Lots G12 & G13 -- being sold together as the ultimate family (or friends!) getaway package! This double-lot setup currently features a beautiful park model home that's move-in ready and comes with all the extras! There is plenty of room to add a second unit and a bunkhouse so everyone can join in on the good times. Both lots are fully serviced with water, hydro, and septic, so you'll stay comfortable and cozy no matter the season. Open April through October for full-time enjoyment, with the option for short visits in the off-season when you just can't stay away. Imagine NEVER having to search for a campsite again, stress over ferry reservations, or pay for trailer storage -- instead, you'll always have your own private retreat waiting for you. Gather the family, invite your friends, and make Spider Lake Springs your happy place -- where the campfires are warm, the laughter is loud, and the memories truly last forever. You will not regret it!
