\$750,000

DEVELOPERS INVESTORS BUILDERS approved for FOUR units. Plans in place for a side-by-side duplex with two suites below or change the plans with new OCP to potentially have the opportunity for two separate houses with suites (or there is literature that could potentially allow for six units space permitting) The approved application could be a great opportunity to live in one of the four options and have the remainder not only cover your mortgage but pay you to live.
