

## SL 1 Eagles Cove Campbell River BC

\$229,800

This is a rare waterfront lot offering! This strata lot is at the end of the access road in a quiet remote recreational area that is approx 45 min drive North of Campbell River via Hwy, and Forest Service Roads. There is community sewer and water services available to the lot line and has a few building sites on the property with nice high bluff with ocean views. There's a small boat launch and may be a great family or group purchase to share costs and future use and enjoyment. Travel trailers are allowed for up to 180 days per year in the development but site prep will be required.
