

Rural Parkland County Alberta

\$3,300,000

This timber frame home sits on over 500 feet of lakefront shoreline in a quiet, private corner of Jackfish Lake. The design centers on lake views, with the structure carefully placed among the surrounding woods for a natural, integrated feel. The property includes two large stacked 30' x 40' garages: one set up as a clean showroom space, the other as a functional workshop. With 11-12 foot ceilings and 6' x 9' overhead doors. In-floor heating runs throughout the home, including the basement, both garages, and the main floor (which required pouring 3 inches of concrete across the entire level). Outside, the fully equipped outdoor kitchen is covered and heated, so you can cook and gather comfortably in any weather while enjoying the lake views and peaceful surroundings. With a designated RV area, you're all set up to handle guests. Jackfish Lake is known to be clean and calm, with many bays and only short docks required. 20 mins to Spruce Grove, 35 mins to Edmonton. Your natural oasis awaits. (id:6769)
