\$249,900

Very rare bungalow-style condo that is attached to the neighbouring unit only by the roof of the unit's carport. No walls abut each other. This 3 bedroom, and 2 full bathroom property shows very well and has an upgraded kitchen with granite counters, an upgraded main floor bathroom and also newer laminate and tile flooring. The basement is partially developed, the backyard is west-facing and there is a carport to keep your vehicle covered from the elements. This property is also a short walk to buses, schools, restaurants and amenities. (id:6769)
