

Edmonton Alberta

\$98,800

Amazing opportunity to be your own boss with better than banking hours. Great return along with incredible hours including no late nights, no weekends and no holiday hours. The rent is absolutely a steal that includes everything from utilities to underground parking. Owner is an absentee owner and is selling because he has moved from Canada. Do NOT let this opportunity pass you by. You can build on what has been there for years or add your own concept. Late night ours through delivery service is also an option, endless possibilities.
