

Edmonton Alberta

\$119,900

This well-designed unit features a spacious living room with patio doors leading to a large east-facing patio that is fully fenced for added privacy. The updated kitchen offers maple cabinetry, granite countertops, and stainless steel appliances, creating a stylish and functional space for cooking and entertaining. The generous primary bedroom easily accommodates a kingsize bed with plenty of room for additional furniture. The thoughtfully designed bathroom places the vanity outside the main bath area, making it convenient for getting ready in the morning. Numerous upgrades have been completed over the years, including interior doors, lighting, kitchen updates, appliances, windows, and crown mouldings throughout. The dishwasher and light fixtures were replaced less than a year ago. Ideally located, steps away from Kitchener Park with easy access to shopping, dining, and public transportation, this home offers both comfort and convenience. (id:6769)
