Ready for a newer home without giving up the charm of an established neighbourhood? This custom-built Burke Perry/Look Homes residence offers over 2,600 sq. ft. of beautifully designed living space in Old Glenora. Set on a tree-lined street across from Glenora School and Park, it's a short stroll to Alexander Circle and the river valley trails. The bright, open main floor features 9' ceilings, expansive windows, a den and a chef's kitchen with an oversized island, granite counters, floor-to-ceiling soft-close cabinetry and a six-burner gas range. Modern details include an open-riser staircase, glass railings, luxury vinyl plank flooring and Levven home automation. Upstairs, the primary retreat offers a custom walk-in closet, spa-inspired ensuite and private deck, while two spacious bedrooms share a Jack-and-Jill bath. The finished basement adds a family room, wet bar, den and fourth bedroom—ideal for a move-up buyer seeking modern comfort in one of Edmonton's most desirable mature neighbourhoods. (id:6769)
