You won't find another one like this. Set on a 50' x 140' lot in the heart of Westmount, this unique bungalow has been renovated like a forever home. Every inch feels custom, intentional, and full of personality. Forget builder grade. The thoughtfully redesigned layout leads into a custom kitchen with handcrafted style, bold colors, and a coffee bar you'll use every single day. The renovation goes well beyond the surface. A fully leveled subfloor created the foundation for seamless new flooring throughout the main level, flowing into a completely revamped bathroom that feels one of a kind. Out back, the elevated yard is built for making memories, with a massive deck, a fire pit, and a BBQ spot that will keep the good times going well into the evening. This is the walkable lifestyle and big backyard you've been looking for, in one of the city's most prestigious communities, and for good reason. (id:6769)
