Edmonton Alberta

$899,000

It's not often a home like this comes to market. In a time when much of the city is seeing rapid infill and row housing development, this thoughtfully renovated character home is a breath of fresh air. The property has been carefully updated while preserving the charm and craftsmanship that make older homes so special. Inside, the home blends timeless design with high-end finishes, including marble countertops, Restoration Hardware lighting, vintage original fixtures, and a stunning vintage Kohler "Birthday Bath." Even small details -- from skeleton key door hardware to elegant 24-karat gold faucets -- reflect the care that went into the renovation. The outdoor space has been equally well considered, with beautiful flagstone landscaping completed in 2024, custom concrete planters, and a spacious deck built on concrete piles. On top of all of that the heated triple garage offers exceptional space and flexibility. Snag this one while you can! (id:6769)
