This might be one of my favourite one-bedroom locations in The Ion. This WEST-FACING GROUND FLOOR unit is tucked into the greenery, with mature trees right outside the windows that make it feel surprisingly private and peaceful. Step outside onto the covered patio and you're surrounded by green space, or stay inside and enjoy a really cute, beautifully put-together home with 9' ceilings, BRAND NEW FLOORING, fresh paint and a warm, stylish feel throughout. The kitchen has stainless steel appliances, plenty of cabinetry and a great little office space. The bedroom is a great size with a large window overlooking the trees plus a fantastic WALK-IN CLOSET with built-in organizers. There's also in-suite laundry and an energized outdoor parking stall conveniently located near the entrance. The Ion is PET FRIENDLY and includes a fitness room, social room, guest suite and a gorgeous central courtyard with gazebo and picnic areas. If you're one of those people who loves a ground-floor condo, this one is so good! (id:6769)
