\$229,900

DEVELOPMENT OPPORTUNITY!! Located on a quiet street in Inglewood, this was one of Edmonton's ORIGINAL SKINNY HOMES. The lot is zoned RF3 and measures 25 ft wide by 143 ft deep. Lots of land to work with, one could build a home with legal basement suite and add a garage suite for additional revenue opportunity. Original home was constructed in 1912 and was built on a Brick Foundation. Property is best suited for redevelopment, or one could restore this home to its former glory and maintain the Heritage of the property. Enjoy the beautiful tree lined streets of the Westmount Heritage area and all the lovely shops and restaurants within walking distance. (id:6769)
