\$299,800

This charming classic red rock stucco bungalow sits in the lovely tree-lined neighbourhood of Inglewood, just blocks from all the action in Westmount and the exciting 124 street shops and restaurants we've all come to enjoy. If you have not, here is your opportunity to discover this super central and trendy part of the city! House has newer and not original windows and newer shingles. If a new build is what you have in mind then you've got all of the same benefits! Priced right for both options. Come on on down and see the character of the area and this great little home.
