Rare historical home in Inglewood! You'll fall in love with this modernized 1509 sq. ft. 4 bedroom, 2.5 bathroom character home. The curb appeal really sets off the property with the east-facing covered porch that's perfect for your morning coffee or enjoying rainy nights. The main floor has a functional layout with its large living room with fireplace, dining area, remodeled kitchen, and powder room. The second floor has 3 generous bedrooms (a balcony off of the primary), and a full bathroom. Then there's the third floor where you can soak in the sun or moon in the antique sky parlor! Major renovations were done in 2015: updated electrical, water, and sewer lines, (full height) basement reno with the 4th bedroom, full bathroom, laundry area, and rec room, and furnace replacement. This home also has a double garage, a concrete foundation, weeping tile, and sump pump. Nestled blocks from all of the great businesses on 124 Street, and surrounded by parks & schools, it's a perfect family home! (id:6769)
