This home offers a rare and functional layout, featuring a secondary in-law suite split vertically rather than the typical top-and-bottom design, giving both units their own upper and lower floors filled with natural light. Located in the quiet NW community of Canossa, this spacious property offers over 2,800 sq. ft. of developed living space with 5 bedrooms and 3 full bathrooms. The main unit includes 3 bedrooms, 2 baths, and an upgraded kitchen, while the second unit offers 2 bedrooms, 1 bath, and a private rear entrance. Updates include new vinyl plank flooring, carpet in the bedrooms, and newer shingles. The fully fenced backyard backs onto no neighbours and features a two-tier deck, plus a large driveway and double attached garage for ample parking. With schools, parks, shopping and the Henday just minutes away, this home offers everyday convenience in a family friendly location. (id:6769)
