Endless opportunity await in this clean, pet free, smoke free, family home. The triple car shop is everyone's dream. Car fanatics will love it! It has in floor radiant heating, water, and a floor drain. There may be potential to convert it into a garden suite. This light filled bungalow also has a separate entrance to the basement and with a little work it could be converted to a basement suite. With a total of 4 bedrooms, the basement bathroom has just been remodelled and the upstairs bathroom has a nice spa tub. The laundry room could be converted to a 5th bedroom if needed. The fully finished basement has a large open floorplan. There's room for a pool table and a cozy family room with a fireplace. Located on a quiet safe street in the mature neighbourhood of Inglewood. Some photos have been virtually staged to show the true potential of this excellent home. (id:6769)
