This well maintained 2 bedroom, 1 bath beauty will wow you as classic meets modern. Newer windows, upgraded entry doors, new washer, original hardwood, mouldings, kitchen, stainless steel appliances and upgraded plugs and switches are a few of the wonderful features that this property exudes. Vintage fireplace insert, a heated entrance, upgraded light fixtures, and a claw tub will tantalize the senses. A corner lot that features an oversized double garage and driveway, newer fence, newer front porch and rear deck make this a fantastic property! The use of space is wonderful and the unspoiled basement allows you to develop the basement yourself as well as provide additional storing of accumulated things that need a home. A newer kitchen, and stainless steel appliances give modern touches of flair. This fine home needs an equally fine home owner! Walk to the Commonwealth, LRT, or Rexall. This home is truly a vintage beauty that you'll fall in love with! (id:6769)
