

## Edmonton Alberta

\$399,900

READY TO BUILD!!! The house has been knocked down and this 46x124 foot (529 sq.m.) lot is ready for your infill development. Whether you want to build your own single family home, a suited side-by-side duplex, or up to 7 units....this lot is ready to go. East backing with tons of street parking, and close to Westmount mall/transit, this will make an amazing investment property once developed. (id:6769)
