

Edmonton Alberta

\$240,000

1053 square foot bungalow with three bedrooms up and potentially a two bedroom suite in the basement. Much of the home is a bit dated but has good potential for renovating and updating. Kitchen is nice and open, has a lot of windows, bright and cheerful. Two full baths. Large basement windows gives great options for an added suite. Most of the plumbing has been upgraded to newer pex and ABS. Oversized single detached garage is decent and very usable. (id:6769)
