

Edmonton Alberta

\$249,900

An incredible opportunity to build in Edmonton! This spacious 44' x 127' vacant lot offers approximately 5,588 sq. ft. of land, providing plenty of possibilities for your future development. Whether you're looking to build your dream home or explore an investment opportunity, the generous lot dimensions offer excellent flexibility for a variety of building options, subject to City of Edmonton approvals and zoning regulations. With its impressive 44-foot frontage and 127-foot depth, there is ample space to create a thoughtfully designed property while still enjoying outdoor space. A great opportunity for builders, developers or anyone looking to create something of their own. Bring your plans and imagination and take advantage of this fantastic piece of land! (id:6769)
