This half duplex with CENTRAL AIR and NO CONDO FEES sits on a pie lot backing onto green space and a walking path. Off the foyer, an arched doorway leads into a front office. A dining area framed in French Panelling flows into a living room with big windows over the yard. The kitchen pairs granite counters with a raised eating bar, shaker cabinets and stainless appliances, and a half bath sits by the back entry. Upstairs, a landing nook fits a piano or reading chair, laundry sits by the bedrooms, and hardwood runs through all three. The primary has a walk-in closet and a four-piece ensuite. Downstairs, the bar sets the tone: deep navy cabinetry with brass pulls, glass-front uppers for glassware, white counters, and floating wood shelves lit against a subway tile wall. Past the recreation room, an open area suits a home office, gym, craft space or play area. Out back, a deck steps down to the lawn and a stone-edged perennial bed behind a full fence, with shopping and the Anthony Henday close by. (id:6769)
