Let the group chat know you can host the next Oilers game. This fully renovated 3-bedroom townhome in Callingwood North has a finished basement for game night and a private, fully fenced backyard for the barbecue once it warms up. Upstairs from the action, the bright main floor has a kitchen with all-new appliances, a dining area and a living room with an electric fireplace. The back door opens right off the living room, and there's a half bath on this level for guests. All three bedrooms are on the top floor with a renovated 4-piece bath. You get 1,016 sq. ft. above grade, plus laundry and storage downstairs. Mature trees and green space surround the complex, and your parking spot is right beside the home. You might actually pull off the one-trip grocery haul. (id:6769)
