Cozy & Cute three bedroom, one full bath single family basement less bungalow with a single detached garage backing onto a Sir John Thompson school park in Athlone. This home has a large living room overlooking the quiet residential street with what appears to be carpet over original hardwood flooring. The kitchen with euro style cabinets & three appliances is open to the dining area which has direct access via patio doors to the private back yard. The primary bedroom is well sized & there are two more 60's era bedrooms on the main floor. The four piece bath was updated with a new surround from bath fitter a few years ago. The home sits on a 50' 100' lot with a single detached garage that is in fair condition. The lot is fully fenced and landscaped with an east front & back west exposure. There have been numerous updates over the years including newer furnace & HWT, shingles in 2018, leaf filter gutter guards, bedroom windows and more. An ideal location in north Edmonton with easy access to all amenities. (id:6769)
