Gorgeous home on a quiet street backing onto a walking trail, with a pond across the street and Big Lake's scenic paths just steps away. Enjoy the peaceful, nature-filled setting while still being close to a playground for family fun. Inside, the welcoming entry opens to a versatile flex space perfect for an office, playroom, dining area, or whatever you like. The home feels spacious throughout, with generously sized bedrooms and a roomy bonus room. The large primary suite features an impressive huge glass and tile shower in the ensuite plus a large walk-in closet. A light, neutral colour palette flows through the home, with carpet only on the stairs. As a corner lot and with room on both sides of the house, it offers a larger fenced backyard than most neighbours and other options. Additional perks include central A/C, triple glazed windows, hot water on demand, and a side entrance ideal for future basement development. This one is a must-see and won't last long. (id:6769)
