

Edmonton Alberta

\$689,900

Set in Kinglet Gardens, this home puts the best of the area at your door. Big Lake, Glendale Country Club & everyday essentials all sit within 5 minutes, so parks, golf, trails & shopping are part of daily life, not a drive away. The neighborhood itself is quiet & established. Built in 2022 & better than new, the 2,206 sq ft home is fully complete. Landscaping, driveway, fencing & window coverings are done, so nothing is left to finish. The east-facing backyard pulls in early morning light, making the deck where you start every day. The kitchen suits cooks, with a gas range, hood fan & full upgraded appliance package. Upstairs, the primary suite offers a walk-in closet with laundry steps away plus a double-vanity ensuite with glass shower. An oversized double garage with workshop & mudroom add function, while a bonus room, large office & roomy bedrooms fit everyone. A finished home in a setting like this rarely comes along, so make the time to see it in person. (id:6769)
