

Stony Plain Alberta

Looking for a unicorn of a home? Well, here is a bungalow in a cul-de-sac with a triple attached garage! This home was built in 2024, so you won't have to fix anything, but you also won't have to do all the landscaping and work that comes with a new build. With a dry pond on the east and a golf course to the south, it doesn't feel like you're in the middle of town. Open kitchen, living, and dining area with stainless steel appliances, a breakfast bar, and a pantry. Mudroom's right off the garage, laundry just across the hall. Primary bedroom has a 5-piece ensuite--soaker tub, dual sinks, stand-up shower--plus a big walk-in closet. The second bedroom is on the other end for privacy. And a 4-piece main bath completes the main floor. Finally, finish off your day with a hot tub soak in the backyard under the stars. If you're looking for a spacious bungalow, don't let this one go.
