

Rural Leduc County Alberta

\$368,900

Imagine Friday afternoon. You leave Edmonton behind, and just 50 minutes later you're turning onto a quiet street at Mission Beach, where the pace slows and you're right off Pigeon Lake. Tucked just behind the waterfront, a short stroll to the water, this charming 2-bedroom cabin is the weekend getaway you've been promising yourself. The brand-new composite front deck is made for morning coffee and lazy afternoons, while inside, a classic wood-burning fireplace sets the scene for cool lake evenings and the kind of conversations that last past midnight. Close enough to the water to hear it, far enough to feel like your own private retreat, and with a separate guest house on the property, there's room for everyone: visiting family, weekend guests, or that home office with a view you've always wanted. Set on a generous lot with a drilled well already in place, this is true low-maintenance lake living, no compromises, just space to breathe, gather, and unwind. (id:6769)
