ARCHITECTURALLY interesting, exceptionally well executed by CAMBIUM BUILDERS in Laurier Heights!
Unmatched quality in this incredibly functional family home just one block to LAURIER HEIGHTS SCHOOL.
With a total of 4 bedrooms plus den (den in basement has walk-in closet and could be another bedroom), 3 full baths, a gorgeous island kitchen, cozy living room with wrap around window & wood burning fireplace and high end white oak hardwood flooring. 8.5 ft ceilings on the main. Super bright basement, all new mechanical. Heated floor in the basement bathroom. This is essentially a new house! The triple pane windows are amazing, storage space abounds! Mostly 2 x 6 construction, spray foam on the few original parts of the house. Extra insulation on the exterior of the house. Back alley entrance to the garage, RV parking out front! (id:6769)
