Welcome to a well-loved bungalow in the heart of Ozerna, one of Northeast Edmonton's most established and family-friendly communities. The main floor impresses with two separate living areas, a bright front living room and a second family room anchored by an elegant marble-surround fireplace. Add a dining area and a well-appointed kitchen with a large island, and this main floor is built for both everyday comfort and entertaining. Three bedrooms on the main floor, plus a beautiful bathroom featuring a corner jetted soaker tub with mosaic tile surround your own private retreat. The fully finished basement adds even more space with a massive rec room, 2 additional bedrooms, a den, laundry room, and plenty of storage throughout. In-floor heating keeps the whole home consistently warm with newer components and a newer roof mean the big-ticket items are already taken care of. Large lot with great potential and an attached double garage complete the package. Just 5 minutes to Anthony Henday Drive. (id:6769)
