Tucked away on a quiet cul-de-sac with minimal traffic in the desirable Carlton community, this move-in-ready home offers 2,100 square feet of fully finished living space across all levels. Situated just down the block from a local K-9 school, the location provides everyday convenience in a family-friendly setting. Inside, the freshly painted interior is flooded with natural light, showcasing sleek vinyl plank flooring across the main level, crisp quartz countertops in the kitchen and bathrooms, and central air conditioning to keep the home comfortable all summer. The upper level features three spacious bedrooms and two full bathrooms, including a primary suite with a walk-in closet and a beautifully renovated ensuite. Downstairs, the finished basement adds versatile living space alongside a third full bathroom, perfect for guests, a media lounge, or a home gym. Outside, the private backyard is highlighted by an apple tree a large composite deck and an oversized heated double garage with epoxy floors. (id:6769)
