What a great home this is if you like something that is 2450 sq feet above grade plus an IN LAW SUITE with separate entrance. It just has a great open design with many features including new carpet, countertops and 50 year shingles. Located in a quite keyhole crescent there is a large Pie and even AIR CONDITIONING. There are 3 cozy gas fireplaces including one in the Master bedroom with french doors. Of course you have all the bonuses with this size like main floor office and bonus room upstairs. The unique separate entrance allows for that privacy plus a tall 10 foot ceiling in the suite/bar area. Make this your own (id:6769)
