Space, light, and flexibility come together in this beautifully designed Glenriding Heights home offering 3,593 sq ft on all floors plus a fully finished basement. The welcoming entry opens to a bright main floor where large windows, modern tile flooring, and a striking fireplace create a warm gathering space. The kitchen is built for everyday living with quartz countertops, a large island, custom cabinetry, and a convenient walk-through pantry connecting to the mudroom. A main-floor den provides the perfect home office or quiet workspace. Upstairs, the bonus room offers space for movie nights or kids' play area, while the spacious primary bedroom features a relaxing 5-piece ensuite. Two additional bedrooms and another full bath complete the upper level. Downstairs, the finished basement with second kitchen and separate entrance adds valuable flexibility for extended family or guests. The home also includes a 4.86 KW solar system, helping reduce monthly energy costs while adding long-term value. (id:6769)
