

Edmonton Alberta

\$699,000

Located in the family-friendly community of Carlton, this fully custom-built home offers over 3,000 square feet of thoughtfully designed living space. It features a heated triple car garage with epoxy flooring, a newly installed roof, and energy-efficient solar panels. The main level boasts an open-concept layout that seamlessly connects the living, dining, and kitchen areas. Elegant vaulted ceilings, expansive windows, a stunning stone fireplace, stainless steel appliances, and granite countertops combine to create a bright and welcoming atmosphere. The primary bedroom is conveniently located on the main floor and includes a private 3-piece ensuite. Upstairs, you'll find two generously sized bedrooms—ideal for children, guests, or a home office. The fully finished basement offers separate walk-up entrances, making it an excellent option for extended family living. Enjoy the convenience of being close to schools, shopping, and parks, with easy access to the Anthony Henday. (id:6769)
