

Edmonton Alberta

\$715,000

With its spacious layout, open-to-above concept, elegant finishes AND 2 BEDROOM BASEMENT SUITE, this is the ideal place to call home. The open-to-above concept creates a sense of height and grandeur, while the natural light that floods the space adds a warm and welcoming touch. The kitchen features stainless steel appliances, plenty of cabinet space and a large island. Upstairs, you'll find a spacious BONUS ROOM that's perfect for a playroom, home theater, or even a home gym. There are also three generously sized bedrooms on this level, including a luxurious master suite with a spa-like ensuite and walk-in closet. This home also features a fully finished basement with a legal two-bedroom suite, complete with its own entrance and permit. This is an excellent opportunity for families who want to supplement their income, or for those who have extended family or guests who need their own space. The suite includes a full kitchen, living area, and laundry making it a comfortable and self-contained unit. (id:6769)
