END UNIT townhome showcasing thoughtful design and exceptional natural light, with windows on the south, north, and west sides. Ideally positioned facing green space with a spray park just steps away. The open-concept layout features a gas fireplace that creates a warm, inviting separation between the living and dining areas. Engineered hardwood runs throughout. Enjoy three private outdoor spaces on three sides of the home, including a kitchen patio with gas BBQ hookup. The kitchen offers granite countertops, a gas stove, and pantry. Professionally installed blinds (\$8,000 value) are included, saving you time and expense. Welcome guests through the front entrance into a bright main living space framed by mature trees. The double attached garage also features a private man door entrance offering more convenience. The impressive primary retreat features dual walk-in closets, a spacious ensuite, private patio, and room to create your dream bedroom oasis. This home truly stands apart -- a must see! (id:6769)
