Own a profitable, fully operational fast-food style sushi restaurant with a loyal customer base and income coming in from every direction. This turn-key business is ready for a new owner to step in and start earning from day one, with dine-in, takeout, and well-established UberEats and DoorDash sales already driving consistent orders. The sale includes everything needed to run the business: a fully equipped commercial kitchen, walk-in freezer and cooler, complete POS system, and all dining room tables and chairs. With a streamlined menu and an efficient fast-casual format, the restaurant keeps overhead manageable while delivering strong, steady returns. Sushi continues to be one of the most in-demand cuisines for both delivery and quick-service dining, and this restaurant is already positioned to capitalize on it. Whether you're an experienced operator looking to expand or a first-time buyer wanting a proven business without the cost and risk of a startup, this is a rare opportunity. Training will be available to the buyer to ensure a smooth transition.
