Solar panels, central A/C and a fenced, landscaped backyard complement this 2019 two-storey home in McConachie, offering 1,929 sq. ft. above grade, 3 bedrooms and 2.5 baths. The main level features an open living and dining area with vinyl plank flooring and large windows, alongside a kitchen with quartz countertops, dark cabinetry, stainless steel appliances and an island with seating. Upstairs, a bonus room adds flexible living space, while the primary bedroom includes a walk-in closet and a 4-piece ensuite with a soaker tub. Two additional bedrooms, a full bathroom and upper-floor laundry complete this level. The unfinished basement provides storage and future development possibilities. An insulated double attached garage with an epoxy-coated floor also has a provision for EV charging. A backyard deck and proximity to schools, shopping, public transit and major routes add to the home's everyday convenience. (id:6769)
