

Stony Plain Alberta

\$475,000

Welcome to this beautifully designed Coventry Homes gem offering 1624 sq ft of stylish living space and a fully insulated double attached garage! The open-concept main floor features an upgraded kitchen with superior cabinetry, elegant tile backsplash, and a stunning ivory quartz island with a single-level eating bar. The dining area leads to a brand new 10x10 deck (under construction), while the spacious living room and oversized front entrance add to the home's appeal. A generous mudroom enhances function and flow. Upstairs, enjoy the convenience of a separate laundry room, a king-sized primary suite with plush carpet, a massive walk-in closet, and a luxurious 5-piece ensuite with stone quartz vanity. Two more bedrooms, a full bath, and a bright bonus room complete the upper level. Better than brand new--this home includes all appliances, window coverings, and front landscaping will be completed by the builder. No waiting, no hassle--move-in ready with quick possession!
