This home was seller upgraded....not builder finished. You are not just getting another run of the mill home in this 1942sq.ft 4 bedroom, 3.5 bathroom beauty with a FULLY FINISHED basement The current owner replaced the flooring with luxury vinyl plank & paint throughout, dramatically amped up the landscaping, and had the basement professionally finished with a full bathroom and bedroom/ second living room which is perfect for a teen/ in-laws to have their own space. The main floor is bright & open with a stunning chef's kitchen with higher end appliances, tons of counter space, and a pantry, a comfy living room with fireplace, dining nook, and half bath. Upstairs is the owner's suite with 2 closets (one walk-in), amazing full ensuite, 2 bedrooms, a bonus room currently being used as a gym, full bathroom, and laundry room. This house is done to the nines with 9 foot ceilings throughout, oversized doors that further embellish this, that tranquil yard and deck, and so many other wonderful touches. (id:6769)
