The Athena by Bedrock Homes is a thoughtfully designed 1,660 sq. ft. laned home offering 3+ bedrooms and 2.5+ bathrooms with flexible living spaces to suit a variety of lifestyles. The open-concept main floor features a spacious great room, dining area, and L-shaped kitchen with a central island and corner pantry. A front flex room provides versatility for a home office, playroom, or optional main floor bedroom with full bath. Upstairs, a central bonus room separates the primary bedroom from two additional bedrooms, creating added privacy and functionality. The primary retreat includes a walk-in closet and ensuite, with options to upgrade to a 4-piece layout. Convenient upper-floor laundry adds everyday ease. Optional configurations include a legal basement for future potential. Designed for comfort and adaptability, the Athena delivers a well-balanced layout for modern living. Photos are representative.
