

Stony Plain Alberta

\$425,000

You are going to love this house! It shows like it's barely been lived in. Bright and upgraded throughout, the home features extra windows in nearly every space, including the primary California Closet and laundry room, bringing in tons of natural light. The layout is functional with extra storage on every floor, an oversized approx. 25x17 attached garage (yes, a truck fits), upgraded LVP stairs, Coventry custom doors, and a brand new Bosch dishwasher. The primary ensuite features an approximately \$20,000 renovation with a tiled shower, new carpet, feature wall, and a barn door being added for extra style points. Outside, the massive pie-shaped lot backing no rear neighbours includes raised garden beds, a beautiful deck, and gazebo. The unfinished basement with 9 ft ceilings and two large windows offers endless future development potential and opportunity to build equity. (id:6769)
