

## Edmonton Alberta

\$425,000

Discover an exquisitely reimagined home, situated in the established charm of Aldergrove, offering a combined 2,188 sqft of thoughtfully curated living space. The main floor has been transformed with grand-scale gatherings in mind—showcasing a sprawling dining area adorned with tavern-grade oak floors and an opulent chef's kitchen featuring cork flooring, an impressively oversized island, and extended custom cabinetry worthy of culinary distinction. Ascend to a dramatically opened upper level revealing a voluminous living room with adjoining flex space. A luxuriously renovated 4pc bath, illuminated by a skylight, serves the upper bedroom. Descending to the lower level, you'll find three more generous bedrooms accompanied by a refined 3pc bath for effortless accessibility. The basement offers laundry & vast, untapped area ready for your touch. Outdoors, revel in nature's splendor with a majestic maple, flourishing raspberry bushes, & fruit-bearing haskap trees. An oversized driveway completes the offering. (id:6769)
