This spacious two storey, a former show home, had many upgrades including kitchen, bathrooms & staircase and a 'retro' bar in basement. The interior decor is refreshingly different with a Southwestern style. High angular vaulted ceilings, living room with hardwood floors & 3 sided fireplace, formal dining room, large kitchen & breakfast nook opening onto the sun drenched deck & big backyard. Cozy family room with gas fireplace. The MAIN FLOOR BEDROOM, currently used as an office, & 3 PCE BATH would be ideal for a grandparent. Laundry room has direct access to the oversize garage. Three bedrooms upstairs, 4 pce family bathroom, the primary bedroom has a big walk-in closet with window & 4 pce ensuite. The basement is perfect for family fun with a wet bar & plenty of space for games, 3 pce bath w/steam shower, hobby room & storage room. Great location within walking distance to public & Catholic elementary schools, community league & easy access to Whitemud Fwy. You'll love living in this neighbourhood! (id:6769)
