What's better than a townhome? How about a super cute END UNIT with NO condo fees, bylaws, pet restrictions or surprise visitor parking fines! This one is in perfect condition with such a smart, easy layout, whether you're buying on your own or as a couple. Instead of squeezing 3 tiny bedrooms upstairs, you get TWO spacious primary bedrooms, each with its own bathroom, plus a main-floor den that can be a home office, gym, guest room or 3rd bedroom. If you work from home and see clients, it's especially handy right off the front entrance. The bright main level has a fireplace with custom built-ins and a beautiful white kitchen with quartz countertops, stainless steel appliances and an entire wall of pantry storage. Sunny south-facing deck with a beautiful view of the pond, NOT a row of townhomes! You also have a fenced front yard that's perfect for a little pet, central A/C, an attached single garage with extra storage AND room to park 2 more vehicles out back. Cute, functional and affordable! (id:6769)
