

Edmonton Alberta

\$564,999

The Senna-z has a total living space of 1,785 Sq. Ft. features 3 bedrooms, 2.5 baths, a functional bonus room and 9' main floor ceilings. Walking through the foyer towards the main living area of this home pass by the private half bath into the kitchen adjacent to the great room with optional fireplace and nook. The kitchen includes an island with an extended eating bar and a walk-through pantry into the mudroom with shelf and access into the double car garage. The great room of this home is open to above which creates an airy, larger than life feel. Heading up stairs is a central bonus room along with the main bathroom and two bedrooms sitting at the front of the home. The Primary bedroom in this home includes linen storage, an ensuite featuring double sinks and a walk-in closet with access to the laundry room. The efficient location of this laundry room, with additional storage, can also be accessed from the main hallway on this upper floor. Create more living space by developing the optional basement. (id:6769)
