

Rural Parkland County Alberta

\$499,900

Welcome to this remarkable .297-acre property, cherished for generations and now ready for new adventures. It features a drilled well, a holding tank, and previously had power, which can be reconnected. There are many options for a build spot, whether you desire a walk-out or bungalow. A charming children's playhouse is also on site, perfect for little ones. The property offers lakefront access, thanks to the public access point between you and the lake. The waters are calm in this bay, making it perfect for kayaking and other water activities, as there is a speed limit for motorized boats up to the trestle and the larger part of the lake. Conveniently located off Hwy 16 in Wabamun Beach, it's an easy commute to the capital city and nearby amenities. Don't miss this opportunity to create lasting memories discover the adventures and joys of lakeside living today! (id:6769)
