

Edmonton Alberta

\$275,000

Tucked beside a serene wooded area with scenic views of the river valley, this 3-bedroom, 2-bathroom townhouse offers a peaceful retreat without sacrificing convenience. The two-storey layout provides functional separation of space, while stainless steel appliances bring modern appeal to the kitchen. Large windows invite natural light and provide a glimpse of the lush surroundings. Whether you're relaxing at home or stepping out to nearby trails, this home offers a rare connection to nature in the city. A solid option for those seeking privacy, practicality, and quiet beauty.
